RESERVATIONS

GUIDE- DRIVERS Vs DRIVER-GUIDES:

Our Guide-drivers will chauffeur your clients; they are also licensed to guide and accompany them into museums and monuments.

Driver-guides are NOT qualified to enter and guide your clients into museums, as well as around historical monuments and sights, for this purpose we recommend your clients have either a driver AND a guide or a Guide who is licensed and insured to drive. Our Driver-guides all speak very good English and will chauffeur your clients on sightseeing tours, their knowledge of the historical aspects of the territory can NOT be incomparable to that of a guide.**RESERVATIONS**

no limit text Miusov, as a man man of breeding and deilcacy, could not but feel some inwrd qualms, when he reached the Father Superior's with Ivan: he felt ashamed of havin lost his temper. He felt that he ought to have disdaimed that despicable wretch, Fyodor Pavlovitch, too much to have been upset by him in Father Zossima's cell, and so to have forgotten himself. "Teh monks were not to blame, in any case," he reflceted, on the steps. "And if they're decent people here (and the Father Superior, I understand,
